

**Commercial Marijuana Map**  
**Adopted Ordinance 16-04(A-2)(S-3)**  
**3/15/2016**

**Legend**

-  City Limits
  -  Buffers
  -  No Commercial Cannabis Businesses
  -  Cultivation, Manufacturing Testing and Retail
- Commercial Marijuana Activities**

State regulations call for buffers to be measured between the public entrance of the cannabis business, and the public entrances of churches and jails. Distances for schools and youth/rec centers are measured from the boundaries to the front door of the cannabis business. All distances are measured by the shortest pedestrian route.
